

### How does the Buyers Club Work?

We are offering a monthly box of seasonal variety cuts. All cuts are frozen in retail USDA packaging. Your box has a guaranteed amount of frozen meat cuts from our several species of livestock: beef, lamb, veal, pork and goat. The mix each month is based on a seasonal variability, and no box is large enough to contain every type of species. We respect the variations of the season and cannot guarantee what the mix will be in any specific month. Should you prefer to not receive meat from a particular species, you will be able to exempt one species in the subscription. If you choose delivery please be available to receive the package. We offer Bones and Offal ( heart, liver, kidneys, etc ) special ordered seperately from Club Membership.

### Your Benefits!

You save money... saving 20% off retail prices, besides supporting your local economy and healthier lifestyle. We realize most people want to bring the best to their table so we partnered with our good friend and neighbor Bernadette from Sip! Mendocino to bring you local wines to pair with your meat. Sip! Mendocino offers a variety of great Mendocino wines to their members every 2 months. What a delicious duo!

### Here is a sample box of meat you can expect!

- 2 lbs. Chops or steaks (loins, racks, leg steaks, etc.)
  - 3 lbs. Ground or stew meat
  - 4 lbs. Roasts (approx. 2 lbs. each)
  - 1 lb. Sausage (Greek, Italian, chorizo, apple, garlic & herb...)
- All cuts and weights may vary.
